What is "My Portfolio"- Release 4.2 - July 2026

The build your own ETF tool.

Updated 4 Nov 2026

Read online: https://traderange.net/blog/my-portfolio-tkx9exwu/

Released yesterday,

My Portfolio is a new tool designed for you to backdate your own portfolio and compare its performance compared to the S&P or another index fund over the last decade. It comes with in depth analysis and useful information.

Sadly, a lot of people are disappointed when they learn that their gains do not surpass their comparison index fund.

You can compare yours here:

CREATE A PORTFOLIO

If you have any feedback you can drop it in the discord and we will get right on it.
